

# HURRY OUT SALE

OF THE ENTIRE STOCK ON HAND OF  
**HUNT'S HYGRADE STORE**

**TO THE PUBLIC:**

**I am very optimistic regarding the future**

I have just signed a five year lease for the Morrow & Hussy building, the best location will occupy this building just as soon as I unload my stock on hand. I intend opening from start to finish. I have no complaint to make, as business has been very good and I have great hopes for the future. A goodly share of this town's business has come to me and future success depends solely upon the continued patronage and good will and esteem of the community. I have redoubled energy in producing the best goods at absolutely lowest prices. Exact prices are tolerated here, and will not be, even in a sale.
